

**Feedback on the Public Consultation of  
“ Draft Guidelines for safe Chinese herbal medicine practice”**

Dear Executive officer,

I've read your "Draft Guidelines for safe Chinese herbal medicine practice".

My comments are following as:

I more like my acupuncturist spend more time  
on my treatment than ~~at~~ writing the unfamiliar  
language medicine name on prescription.  
It's more benefit for us as patient appreciate expecting.
